Alkalinelook at the votes stupid asshole, you should be banned as well in cramasson's stupid community.

I can't fucking believe EA give this power hunger whore the official website. whatever, people hate her enough to release cheats under her name, so she can do whatever the hell she wants with the stupid ass community. ITS NOT THE RENEGADE COMMUNITY, ITS CRAMSON'S community.

rename the site to the OFFICIAL CRAMSON'S ASS KISSER FORUM

Hey... Who's Cramson? It's Crimson....

How about Alkaline's Stupid World Of D34T#?

BTW Learn English.
