Duke of Nukes:

Obviously you are unable to carry on a debate without resorting to personal insults. You are not a worthy opponent and I wash my hands of you.

Commando no. 448:

I don't think this is useless, nor is it a "forum war". Without knowing what the idiot pacifists think, how can I strengthen my own beliefs? If no one ever shares their ideas, we won't get anywhere. If you don't want to be a part of the debate and discussions, then stay out of this particular forum which has been designated for this purpose.
