How, can I start Brenbot? If I start Putty and brenbot it shows me:

```
linux:/home/Server # ./brenbot
```

```
Usage: ./brenbot [ -Alib.par ] [ -ldir ] [ -Mmodule ] [ src.par ] [ program.pl ]
```

```
./brenbot [ -B|-b ] [-Ooutfile] src.par
```

What must I do, to start brenbot?

Thx for brenbot
