Wow, I'm honored...Or at least I was. Too bad you all turned on each other, I was enjoying being defended against by this "NFD", which just proved itself to be hypocritically composed of, well, fucktards. It seems to me like you all need to belong to some sort of group which vents anger upon other people. Did your parents neglect you? Do they still? Besides, if you all want to belong to such a gathering, there is such a thing out there...it's called group therapy. Perhaps you need to seek it out. Until then, may as well stop trying to "defend" this place (which happens to be the Renegade Public Forum, not the n00bstories forum) with poorly typed text, and insults so ineffective that they put your earlier homophobic ones to shame. Grow up.
