We aren't out to flame, we're out to calm down and debate against morons who think low of our forums and n00bstories. We didn't show any good skills with tonight's display, but we are still so very much dedicated to eliminate the likes of you and Alkaline.

And also, Scrumfy, point out to me where we are dedicated to FLAMING negative people? We may have flamed tonight, but that is a mistake we realized.
