You seem to be more intelligent than any other person who could be as blind as you are to the truth. Therefore, I don't see you as a moron. I may still be debating against you, but I consider you a worthy opponent.

My tactics are much like yours. Calm, yet indicating dislike for the person you're debating against. However, the only difference is, I have a team behind me who feels the same way. I don't see the good in flaming as I did before today.

If I may ask, what "truth" am I blind to? Again, opinions differ, and that doesn't make me blind to your "truth".
