GSE,  
If this Renguard pans out, I'd love to see a "pure" match w/ the old AUG Elite crew. I played your clan way back when I was still in AUG & you freaks rolled through us like we were nothing. Think what you may, but we were an awesome clan & I couldn't help but be suspicious of your methods. If you do it again, then hats off to ya. Otherwise it's time to put you in your place. What do you say? I can round up the old crew if you're up to it...
