I don't remember ANTI. I do remember the whole thing about -WL-.

I remember one time there was this HUGE LONG thread debating against 2 clans. It was -WL- and i THINK it was HoA or AoA. I don't remember...I was reading a little bit from it a few months ago, I somehow found a few sheets that I printed off to read it.

Edit: I also remember [AoA]Emperor. What ever happened to him? He still here? I never really paid as much attention as I could have.
