JavaxcxGodofDeathBecause as it says in the Bible...

Quote:...For God so loved the World he gave his only Son...

Also God wanted us to have a share in eternity, thus he gave his only Son to bear the sin of all mankind!

No, God has no reason to "want us to have a share in eternity". We are given that privledge when we die. It's called Heaven, and humanity has access to it long before Jesus came and died.

You still haven't supported a reason as to why Jesus died for OUR SINS. I know the reason, and I want to hear your definition.

It's all right there. Basically: Sin equals death, and seperation from God.
So how do you receive entrance to HEAVEN considering everyone has sinned? God solved that. The only perfect sacrifice was something not of this corrupt earth, yet still of it. If you believe in him, and what he did, repent and are baptised, you will appear spotless before God on judgement day. Your debt has been paid by the only one who could forgive it.

No gimmicks, no rosaries, no Mary, no Pope, nothing but you and God.

As it was in the beginning, and as it was always meant to be.
