Scrumfy, did ya hear? NFD is just for membership basis only, just a thing to be known that I hate bitches like you and Alkaline. Nothing more than the simple idea of being a part of a "group."

Alkaline, I didn't feel the need to keep circulating flames in these forums, and since you're too big of an asswipe to accept my invitation to go one on one; the flaming has to continue.

I just don't get this, no matter how many times you beat Alkaline down with common sense he has some absurd way to make a comeback. He is one of those people that you couldn't even be nice to even to save your own life.

Edit: Drkhaze, also, I said that the ignoring of morons would result in less flaming, I didn't say I wasn't going to flame.
