----
;Allow Global Messages to be displayed in game
AllowGlobals=false
----

I don't think this setting should be allowed, because it will cause users to miss critical system messages such as upgrade alerts which is all it's used for.

----
;Kick on unkown files, i.e. they have a file that RenGuard does not recognise
KickOnUnknown=false
----

Any server admin would be completely retarded to set this to anything but true.
