wow crimson,

I guess Zep, Twix, godofdeath and anyone belonging to UN must have the same ip as well. You have now shwn me you are full of shit and a whinny little brat. :rolleyes:

RG is not going to be popular because of your dumbass. BAI BAI, have PHUN, RG = CG, crimson guard. Oh wait, wasn't there a clan called this

RG will only be POPULAR IF, it is decentralized and servers get full control over their servers, other wise you can forget about it :rolleyes:
