Since we are talking a lot about military history I'd suggest this site as a valid resource for historical info...

<http://www.fas.org>

Iran-Iraq War (1980-1988)

Security Council Resolutions on Iraq (1990-2000)

It's so entertaining that people try to make it seem that its JUST the USA+Britian and one or two other countries behind us when the reality is *drum roll* we currently have 35 countries supporting/involved in our actions.
