xXxfirst of all bad credits for the the "team" of renguard that delete all posts that telling the thruth about er bullshit !

second nothing from that get rneguardshit running at my system

thrid @version 1.00 cheatin is possible i can do this wherever i want , easy to overwrite renguard)

and last thankyou blackhandstusiosnoobs for close that game . What the cheater dont get u gettin in 1 week

and yes ur still able to cheat no programm can stop cheaters teres always a way to cheat but cheating is only for those assholes who dont now how to play
