I apologize... I mis-spoke. The release of the emoticons will be sometime AFTER 1.02, but not long after. RenGuard 1.02 will give us the ability to deploy these fixes to you and update your Renegade, but we are going to make sure the 1.02 update goes without a hitch and get that all settled before we send out the first patch which we've already prepared.

(And don't worry, you can opt out!)
