Carli say again, the economy was on the RISE when he left.... waiting for proof

What the fuck are you talking about. I lost \$8,000.00 in the last 4 months of Clintons Joke Rule. The economy was crashing prior to the 2000 elections. That money was going to be a new house. Don't fucking tell me the economy was good. I almost had to claim Chpt 11.

If you actually invested in the market you would know that.
