OMG MAN

THATAS JEST WHUT AI SED

MAH MEGAHURTZ!!!!!!!!!111

OMG HAXX0RS

On a serious note,
Quoting something with a quote doesn't work too good either.

Example.

[quote="name"]
blah blah
[quote] text blah blah don't tell me yer life story[/quote]
]
Notice the last tag... "]" instead of "[/quote]"

This just happened to me so I just thought I should point it out.
