What if it is a girl? (it will be a girl)

see Smokie has a really annoying script on mirc if i say daughter he notices me son!!!!!

(his baby btw)

```
on *:text:*:* {
  if ($nick == Smokie) && (son isin $1-) {
    notice smokie daughter
  }
}
```

I local killed him until he gave me the script :twisted: ...now i have it.. ..And please no sydney and no sakura or any ren girlie character names...i want proper names.
