Subject: some older Gmax files
Posted by Oblivion165 on Mon, 10 May 2004 04:01:34 GMT

I need to complile my stuff too, im currently working with visual basic more and more now adays, i have 400 Mb of stuff that people can work with, its a shame to let it goto waste. Not saying that every bit of it is gold or anything.

The forums are still on my desktop, so its still in my rotation.
