No, I'm not just having fun. I'm serious.

Cheats, etc...: n00bstories supports legitimate ownership and playing of Westwood/EA game titles, so conversations or activities that do not support this concept will result in a ban.

He should feel lucky that I only edited out the URL instead of banning him. Most of those trainers aren't even trainers, they are trojan viruses that add your computer to their botnets. I absolutely do not condone them.
