<?php

Insert the Url where you uploaded the script.

\$url="http://cncdaily.nucleardays.com,"; # please no / at the end!

Select Username and Password for the Admin

\$benutzer="cncdailyadmin";

\$password="****";

\$max="1000"; #maximum size for Upload (KB)

\$adminx="300"; #with of the Admin previe Images

\$userx="200"; #with of the Previews at the main page

\$safemode="on"; #if switched to "on" only the Admin can upload files

php?>

Seems fine to me?

**** is there for the forums!
