Your opinion isn't based off technical knowlege of the game, contacts with the development team, or having a hand in developing the game. Mine is. I think that makes my opinion JUST A LITTLE BIT more reliable than yours.

Realism is irrelevant, it's a C&C game based off another C&C game, therefore snipers should be nerfed so that all they do is kill soldiers. I can see the n00b cannon doing maybe 5 points of damage to vehicles, but that's it.
