I have a cool idea for a post. We will make a story. Everyone will contribute. Each person post 2 words at a time, and please make it make sense. And don't post repeatiately. Wait for someone else to post before you post again. A couple of my friends and I did this in a chat room 1 time and we came up with some funny shit. Well I guess I will start. And don't make fun of my fairy-tale beginning
