holy shit you look like some stoner i know but younger!! (No offence in anyway)

HAAHA HE LOOKS LIKE A PREP NOT A STONER YOU MORON. You don't know what a stoner looks like if you think he looks like one, the kid who you know thats younger, is lieing he aint a stoner

I have been told I look like a stoner and that is from people I see everyday. He does not look like a stoner... He is exactly how I pictured him puny and a pain in my designing ass.

I said he looked sorta like somebody i know thats blazes (the bone structure is makes them look sorta alike) it but the person is older i never said Aprime looked like he would blaze it.... besides you cant tell by how they look if there a stoner (well most of the time at least)
