You do know we can make a sequel, right? So you didn't win. I did
I am goin 2 disregard your last post Cowmisfit lol. Lets see how it is going:

Once upon your lap there was three turtles making out while you were watching red vs blue on television. The only person who cared was Cowmisfit's mom. She decided to fry up a can of turtle chow. It smelled like bacon and feet. Cowmisfit skated to the Ham and Spice store to rub it on himself. This created mutant monkeys with fifteen rocket launchers and crazy candy addicted snipers will suck balls. Xtrm2Matt then tried to fuck a chicken nugget. The_Chaotic_One then punched CowMisfit then punched himself in the nuts. It hurt like hell. Then the robots came and killed Kenny.
