Uhm, as you may or may not know, I visit many sites regularly, n00bstories, The Pits, TwA every now and then. I am aware of many things going on in the community, I can deliver updates directly from the source, such as updates, I can help gamers with problems, pretty much you name something, I will try my best to help our and spread the word.

I also am in many server channels and talk to the members in Fastc0nn, TwA, n00bsvrs, Hazteam, and TwA servers.
