Aircraftkiller You don't need to roll your little Internet eyes at me, thanks...

If you don't know why, then you probably haven't been around long enough to figure out why.

Dont worry, i have been arround since you were "aircraftkiller2001" and when Planetshaun was doing those 1st mission playable orca mods and the *ahem* "FlyingBuzz" problem and...oh, wait, i was here even before Renegade was announced...

The thing is that this anti-Reborn thing needs to stop.Its just a mod damn it!Why keep drilling it?
