I really like the lay out of the forums. I hope people are not going to be afraid to come here. That is a big fear of mine.

See, I want WARP SPEED God damn it!

Dave, when you have a 2 year old and a 2 month old, patients goes out the window!! I use up all my patients on them. With 2 kids, 3 hours is an eternity.

Oh well, for all of you that haven't registered yet, but are reading the forums, come in! The water is fine

I personally would like to see us 1000 strong by this Friday. Does anyone think it is impossible
