MadtoneWell next week on Friday 4th of June 2004 at 3pm i leave Brisbane QLD, Australia to go to England via Singapore and Frankfurt.

Thats all i have planned so far.

Probably going back to Brizzy before the end of the year being sponserd by an aussie company to work here for 4 years.

Apart from that, seeing if i can Wakeboard in England and thats about it.

Also meet up with a few peeps in England from the Ren/n00bstories community.

And I'll be meeting you really soon.
