TheGunruncowmisfitlol Aprime Post count: 1069

Sorry, just had to point out.

I remeber it when it was 66six on one of my topics. .

His post counts are always wierd, on 9/11 his post count was 911

Im planning on going to the movies with my girlfreind after finals, all depends on what she wants to see but i'll suggest this one.
