I think the remixes for Fight Win Prevail and Great Shot were great. Too bad they were not used in Renegade.

As we're talking about Frank now..

I tried to ask him if he could voice a few clips for Commando in addition the the ones I have. He said he's too busy at this time.

Quote:Hi there!

Sorry, but I cant accomadate that... working too much! hehe Thanks for writing though!

P.S. - You heard my Morphscape cd yet? (click "projects", then my name, then listen to cd clips) If you dig the C&C stuff you'll probably like it...

I'm working on a project for C&C Renegade and I wonder if you could do a few voice clips for Commando? Something like this?

> Commando: I'll consinder the risk, Captain. (remark, positive)

> Commando: Yeah!? But whose reinforcements? (doubtful)
