1 Anyone that has laughed @ this you are a twat (sorry about the swearing but i had to make it clear)

2 that was my money to and i am not happy to say the least.

3 i live in the uk and if zunnie fails i will contact the british authorities

We will not stop until Klan-Host is shut down and/or we get our money back. I know zunnie pretty well and he does not give up on stuff very easily. Can everyone who reads post something about klan-host in your and other clans forums we do not want this to happen to anyone else.
