sniper12345for once, Aircraftkiller becomes a hypocrite.

"You don't have to read it if you don't like it."

Did I say I didn't like it? Nope, I didn't. Notice I said "very few people care," and I happen to be one of the few who care enough to read and reply to this topic. Find somewhere else to troll, and do it with some semblance of intelligence... Thanks!

It's what he enjoys using his extra time for. It's no less pathetic than staying up until 4 in the morning making level maps.

Relax.

Is that supposed to be insulting? Or what? I don't get it, I'm not feeling any malicious intent there... Care to find something that might upset me?

Just so you know, I wasn't tense. Using capital letters in oversized text doesn't necessarily mean that I'm flustered behind the monitor.
