How fucking stupid are you people? I know this is now resolved, but I can't believe everyone thought he had "wallhack". First off, EVER HEARD OF PERSPECTIVE? Nothing is going to look big when it's 100 feet away, seriously, don't be a moron. In the second pic, THE SAKURA DIES, ARE YOU BLIND? SHE'S NOT EMBEDDED IN THE GROUND. FFS, everyone accuses other people of cheating in this community WAY too much.
