I got myself into something similar before, while Renegade Alert was being hosted by Arm-Ent, lost CDN\$80, what happened?: Got a deal with Vlad, cancelled the deal a day after, didn't receive any services, request money back, new deal, Arm-Ent closes its doors, Vlad refuses to give me the money. And everytime I bring it back, he says: Dude, that was long ago! Arm-Ent's closed now! FORGET IT! I doubt that I'll ever see that money again...:\
