npsmith82 So the person who destroys the demo truck has points added for any enemy kills, and also points deducted for any friendly kills?

If so, this seems bad. Basically meaning if you plan to destroy a demo truck, make sure you're in a one-on-one with it, otherwise you'll kill all your team mates at the same time.

IMO, if you kill it, it shouldn't damage/kill your own team members.

You can only kill friendly units if friendly fire is on.
