AircraftkillerWhatever that's supposed to mean.

smwScott, isn't it just equally ridiculous to post a reply telling me about what I'm saying? I don't see what you're trying to accomplish.

Not trying to accomplish anything, everyone else added their two cents, just figured I'd add mine. I usually don't get involved in this stuff and shouldn't have this time, it doesn't really affect anyone, just a little bit annoying.
