I need some of these models approved. All the things in that list I got were from here.

They said they were reanguard approved but apparently not.

c_ag_nod_chemt.w3d is the chem trooper backback found inthe aggregate pack.

c_ag_nod_mdz.w3d and c_ag_nod_mdz2.w3d are the alternate coustume backpack for medoza also in the aggregate model pack.

mgwep_int_n02.w3d is the client fix for the weapons factory glass.
