xptekYou're violating the license by removing the powered by vBulletin, sorry. That's an obviously nulled version.

http://www.dod4ever.com/forums/themes/eimages/vbcopy.gif should be linking back to vBulletin, but you have nullified it to link back to your own site.

dude, why are you ratting on him, do you get money or something?? you should know how it feals to have people come after you for that kinda shit.
