Yes, it is. It's totally irrelevant to the subject at hand.

It doesn't matter if you do it for fun. That's also irrelevant. What people want when they want something fixed, or done, is not "I do this for fun," they want to hear "I will do it" or "I won't do it."

So cut to the chase and stop bullshitting. Reborn has had its last chance with me, it's not getting another.
