ATLjoker541: NO THEY DIDNT  
ATLjoker541: they just put thier shit up  
imacm: You see, that's where it's different.

ATLjoker541: they didnt get written permission  
ATLjoker541: netierh did I  
imacm: They did on some maps.  
imacm: Look at spreegem on renforums, he always asks if he can include the map on his site.  
imacm: That's how it should be.  
imacm: That's legal.  
ATLjoker541: so you want me to ask every author for written permission  
imacm: No, I just don't want you on our network.  
ATLjoker541: ...
