Phoenix - AeonQuote:GDI will be too dominant unless it's a really small game if hillcamping's disallowed

Eh, it's far easier to hillcamp with an mlrs than an arty, this move would benefit NOD not GDI.

Not the case, since Nod arties can kill the PP, WF and refinery, whereas an MRLS can only hit the Ref, which isn't a terrible loss on Hourglass unless it happens in the first few minutes
