Quote:You're speaking English in an English forum.

You admit it, good !

lol, always the same shit from you... You don't have any creativity... You make nothing, you create nothing, the only thing you do is a copy of a copy of a copy... I have fun with you !!! You are so dumb. So good in english, ever tried University ? I do.

You tell only lies as I said and you speak about something you don't know.

Go on mars with a ship coded by you... I am sure you will land on Venus...

Moron ! Well for me the topic is closed, I won't answer again. But I am sure you will write an answer to that... Retard in action... And if you don't, maybe it's because you start thinking... good for you !
