Sigh.

Go look at my stats.

ss3vegito

funny 700 points is nothing.

And as long as we can have one building we win.

But hey afterall from me saying what I did and looking at my rank and how Im in the top 3 just about every game I play.I know nothing right? :rolleyes:

Your just as bad as the people in games who dont listen.

But do what you want.When our team loses do to people who play like idiots like you want to I wont be losing ladder.
