In case you didn't know:

Sole Survivor is a Renegade total conversion that includes 8 different game modes, over 14 multiplayer maps, 11 characters, 17+ vehicles and all new weapons for all-out team-based multiplayer combat fun.

Why not read up on how to play the game by reading the official manual here?:

Official Site:
http://www.drireign.ath.cx/

Right now there is a dedicated server running, and more are soon to follow.

See you in the games!
