NHJ Bvicewing01lol the netherlands will lose like always look at ireland vs netherlands LOL they lose at someone that wasn't even qualified for the EK LoL so not so good hope that Holland will win

Germany lost from Hungary.

But Holland won from the Faroer Islands

Anyway, I'm afraid it will be an uninteresting match, I don't know why. b/c germany will play 451 fucking defending chicken hoes.

BTW sweden pwned.
