I dled that w3d.ms earlier, and the author said it was for 3dsmax only, and not tested in gmax.

and it didn't work in gmax for me. but i downloaded a new one:

<http://w3d.dhs.strategy-x.com/animporter.zip>

and this is another one, i think it's updated, i don't know what it does, though.

<http://w3d.dhs.strategy-x.com/manimporter.zip>

I got em from here: <http://dhs.strategy-x.com/w3d>
