AircraftkillerQuote:Then why do you bother to reply? Doesn't that make you a hypocrite?No, because I said I'm open minded to just about anything but what I outlined. Did I say I wouldn't reply to it? lol...

Nah, that wasn't what I was refering to. You've ragged on people for months about posting for no reason. If you're not going to think about something, then you're posting for generally no reason.
