well, about Mr. Moore

In europe, a lot of people like his work.

He won the european oscar festival @ Cannes in France.

This man is not stupid, far from it.

Just compare Europe and USA.

USA : Almost every one has a gun at home.

Europe : No guns at home !!!

And about the news it's the same :

USA : The news make all american scared.

Europe : The news are about something else than danger and death... We don't have a 'COPS TV show' because we don't have enough pursuit in a year to make a single 30 min tv show with it...

I don't tell he is right about all, but on some points, come on ! face the truth !
