Nightma14Quote: (nothing is definatle right now so dont complain that "I dont want xxx fixed")

 :rolleyes:

Yes what?
Im just made a statement that 28 people dont want this fixed and 26 want it fixed, why did we
have the vote in the first place if the vote dont even count? If it the yes side would have more I
wouldent complain but the community dont want this fixed as the votes are right now.
